

Conversio Health's Chronic Respiratory Condition Management Program improves clinical and financial outcomes for COPD and Asthma populations. Our smart portable nebulizers & inhaler sensors, Inspire™ Virtual Pulmonary Rehab Program, and certain nebulizer medications are available at no cost to P3 Health Partners members.

## We Stand by Your COPD and Asthma Patients Every Step of the Way:

- **Unique Nebulizer Medications** - Long-acting and Combination Ingredient Nebulizer Medications (including LAMA, LABA/ICS, LABA/LAMA, LABA/LAMA/ICS formulations)—Shipped directly to patient homes.
- **Remote Patient Monitoring** - Smart nebulizer and inhaler sensor survey lung function, improve inhaler technique, and facilitate interventions to enhance patient care. *We share information with doctors to help improve patient outcomes.*
- **Inspire™ Virtual Pulmonary Rehab Program** - Exercises, breathing techniques, health education, and smoking cessation.
- **Individualized Care** - Provided by our Clinical Pharmacists, Respiratory Therapists, and Health Coaches. *We collaborate with doctors to ensure your patients receive the most effective treatments for COPD and asthma.*

LABA/LAMA/ICS	Formoterol 12mcg / Glycopyrrolate 37.5mcg / Budesonide 0.5mg	BID	Trelegy, Breztri	NONE

## Portable Nebulizer

### WIRELESS

- Automatic data sync via Bluetooth to Conversio Connect App
- Real-time adherence data recorded via onboard storage

### PORTABLE

- Pocket-sized — 2" x 2.9" x 4.4"
- Rechargeable lithium battery (4+ hours of continuous nebulization)

### OPTIMIZED

- Ultrafine particles for optimized lung deposition: 80% < 5µm
- Smart sensor detects breathing to optimize medication delivery

## 3-in-1 Inhaler Device

### SMART SENSOR

- Records inhaler medication adherence in real-time
- Records inhaler technique data (hand-breath coordination and orientation)

### CLINICAL-GRADE SPIROMETER

- Captures FEV1 and PEF spirometry readings – from the same device
- At-home spirometry in < 10 seconds

### TRAINING DEVICE

- Light and audio queues train and encourage proper inhaler technique
- Onboard storage allows comparison to personal best and average

## 1 Locate the Pharmacy in the State of California

You can find the Conversio Health pharmacy in your EHR system as: **Conversio Health, 720 Aerovista Place, San Luis Obispo, CA 93401 (866) 239-3784**

**Destination**

Force to Fax

Destination: CONVERSIO HEALTH

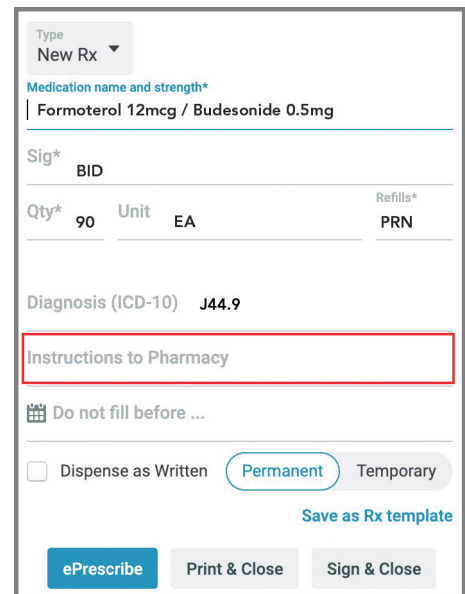

Patient's Primary Default Pharmacy

Address: 720 AEROVISTA PLACE STE A  
 City: SAN LUIS OBISPO  
 State: CA Zip: 93401  
 Phone: (866) 239-3784  
 Fax: (800) 977-9255

Preview Rx

## 2 Select Medication and Provide Dosing Instructions

- Search for an ingredient of the compound and select from EHR drug list.

Type: New Rx

Medication name and strength\*  
 Formoterol 12mcg / Budesonide 0.5mg

Sig\*  
 BID

Qty*	Unit	EA	Refills*
90			PRN

Diagnosis (ICD-10) J44.9
